

Invitation to the Vacuum Day

Get insights and updates about vacuum technology, as well as introducing you to future partners for your research and daily work.

- Presentations about vacuum generation and analysis
- Hands-on workshops
- Time for discussion with vacuum specialists
- Networking
- Free of charge

February 7th 2025,
Indian Institute of Technology, Gandhinagar

Event address:

AB1/201,
Indian Institute of Technology Gandhinagar,
Palaj, Gandhinagar-382055, Gujarat

Date:

7th February 2025, 10:00 a.m. until 5:30 p.m.

Registration:

Register before January 25, 2025.

**Register
now:**

Program

- 10:00 A brief **introduction** session by Pfeiffer Vacuum India
10:15 **Fundamentals** of Vacuum Technology
11:00 Tea Break
11:15 **Vacuum Generation**
 # 1: Rough Vacuum Pumps
 # 2: Turbo Molecular Pumps (Ultra High Vacuum)
12:30 **Vacuum Measurement**
13:15 Lunch Break
14:15 **Turbo Molecular** Pump Hands on training
14:45 **Leak Detection** and **Partial Pressure Measurement**
15:45 **Components**
16:00 Tea Break
16:15 **Helium Leak Detector** Demonstration
 and Hands on Training
17:00 **Q & A**
17:30 End of Vacuum Day
